Summer 2020 Graduate with Honors • 3.84 GPA • Biology B.S.A.

Employment

Sports Medicine Research Intern-Texas Scottish Rite Hospital for Children (May 2018-August 2018, 24 hr/week, May 2019-August 2019, 14 hr/week)

Worked as a research intern in the Sports Medicine department at Texas Scottish Rite Hospital for Children. Learned about the clinical research process, including how to obtain, organize, and analyze data, and how to write effective research abstracts and manuscripts. Was also able to shadow many different departments and medical professionals throughout the hospital.

Daily Bread Food Pantry Student Intern-Lutheran Campus Ministry (August 2019-May 2020, 10 hr/week)

Helped found the Daily Bread food pantry for UT students and served as the student intern where I coordinated food purchases, donations, staffed the pantry and coordinated volunteers.

University Co-op (August 2018-May 2019)

Was an employee at the University Co-op, which is UT's book and clothing retail store. As a part-time employee, worked as a cashier handling transactions, customer service, restocking merchandise, and helping to receive shipments among other duties.

Swim Instructor (May 2018-August 2018, 13 hr/week)

Taught people of all ages how to swim from infants to adults and all skill levels. This required effective communication skills, problem solving, and customer service interactions with families.

Teacher Assistant (June 2015-July 2015, June 2016-July 2016, 15 hr/week)

Worked as teacher assistant during multiple Christian preschool summer camps.

Tutor (May 2015-May 2017, 13 hr/week)

Tutored at a local tutoring center where I was tasked with tutoring multiple students at a time over different subjects. Also privately tutored students from a local middle school in core subjects, study habits and time management.

Academic Honors

College Scholar

Named a College Scholar in spring 2019 and spring 2020, meaning I was in the top 20% of students in the College of Natural Sciences.

University Honors List

Named to the University Honors List for every semester while attending the University of Texas.

Extracurricular

Women in Medicine

Active member in the campus organization 'Women in Medicine.' Participated in their fundraising, volunteering, and membership requirements. As a member, attend meetings where we hear from women in a multitude of careers in the medical field and different specialities. I also volunteer with them.

Lutheran Campus Ministry

Member of the campus organization Lutheran Campus Ministry. I assist them with tabling around campus and various events they hold. Have also helped start a food pantry for UT students through this organization. I served as the president for the fall 2019 semester.

Texas Bluebonnets

An active member of the Texas Bluebonnets, which is a spirit group on campus. We are a social organization with an emphasis on academics and philanthropy. We volunteer with the Austin Animal Center frequently, and also participate in many community and campus betterment activities.

Skills

- Proficient in Microsoft Excel, Word, and PowerPoint
- Proficient in RStudio
